EXPLANATORY STATEMENT 29 August 2024

MACARTHUR MINERALS LIMITED
ACN 103 011 436
FOR THE 2024 ANNUAL GENERAL MEETING OF SHAREHOLDERS

VOTING ENTITLEMENTS

The directors of the Company have set 10:00 a.m. on Thursday, 29 August 2024 (Australian Eastern Standard Time) or 5:00 p.m. (Eastern Daylight Time) or 2:00 p.m. (Pacific Daylight Time) on Wednesday, 28 August 2024 as the applicable notice record date ("**Notice Record Date**"). Shareholders who are registered on the Company's register of members on the Notice Record Date or by 7:00 a.m. Wednesday, 25 September 2024 (Australian Eastern Standard Time) or 5:00 p.m. (Eastern Daylight Time) or 2:00p.m. (Pacific Daylight Time) on Tuesday, 24 September 2024 ("**Final Record Date**") are entitled to vote at the Meeting ("**Registered Shareholders**"). Accordingly, all Registered Shareholders not appearing on the Company's register of members on the Notice Record Date or by the Final Record Date will be disregarded in determining entitlements to attend and vote at the Meeting.

APPOINTMENT OF PROXY HOLDER – REGISTERED SHAREHOLDER

A Registered Shareholder is entitled to attend (whether in their own right, or as a corporate representative, or power of attorney) and vote at the Meeting, or may, by lodging a valid proxy form, appoint another person (who need not be a Shareholder of the Company), to attend the Meeting and represent the Shareholder (a "Proxy Holder"). A Registered Shareholder may appoint a Proxy Holder by inserting that person's name on the proxy form. If no person is named in the proxy form, the Chairman of the Meeting ("Chairman") will be appointed as that Shareholder's Proxy Holder. A Shareholder who holds two or more shares can appoint a maximum of two Proxy Holders to vote their shares.

A Proxy Holder can be appointed by a Registered Shareholder (or its attorney or other person duly authorised) in writing which must be signed or otherwise be authenticated in a manner permitted by the Corporations Act and the Company's Constitution. If a proxy form is signed or otherwise authenticated by an attorney or other person duly authorised, the power of attorney or authority under which the proxy was signed or otherwise authenticated (or a certified copy of that power of attorney or authority) must be delivered to the Company at an address and time as specified below.

A Proxy Holder's appointment will not be valid unless the completed proxy form is delivered to an address set out below by **10:00 a.m. on Tuesday, 24 September 2024 (Australian Eastern Standard Time) or Monday, 23 September 2024 at 5:00 pm (Eastern Daylight Time) or 2:00 p.m. (Pacific Daylight Time)** or not less than 48 hours before any adjournment of the Meeting ("**Proxy Cut-off Time**"). Proxy forms delivered after that time will not be accepted.

VOTING BY PROXY

Direction on how to vote

If you wish to direct the Proxy Holder how to vote, ***please place a mark in the appropriate boxes that appear on the proxy form.***

The shares represented by a properly executed proxy form, where the Chairman is the Proxy Holder will:

- where a choice with respect to any matter to be acted upon has been specified in the proxy form or on any ballot or poll that may be taken, be voted in accordance with the specification made in such proxy form; and
- **On a poll, such shares will be voted in favour of each matter for which no choice has been specified, or where both choices have been specified by the Shareholder.**

No Direction on how to vote - General

If no person is named in the proxy form, the Chairman will be appointed as that Shareholder's Proxy Holder. If you do **not** direct your Proxy Holder how to vote in respect of the Resolution(s), the Proxy Holder may cast your vote as the Proxy Holder thinks fit or may abstain from voting. By signing an undirected appointment, you acknowledge that, subject to the Corporations Act, the Proxy Holder may exercise your vote even if he/she has an interest in the outcome of the Resolution(s) and even if votes cast by him/her other than as Proxy Holder will be disregarded because of that interest.

The enclosed proxy form, when properly completed, delivered and not revoked, confers discretionary authority upon the Proxy Holder thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the Chairman to vote in accordance with his best judgment on such matters or business. At the time of the printing of this Explanatory Statement, Management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

NON-REGISTERED HOLDERS

Only Registered Shareholders or duly appointed Proxy Holders are permitted to vote at the Meeting. Most North American Shareholders of the Company are Non-Registered Shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFFs, RESPs and similar plans; or clearing agency such as CDS Clearing and Depository Services Inc. (a "**Nominee**"). If you purchased your shares through a broker, you are likely to be a Non-Registered Shareholder.

Shares held by Nominees can only be voted (for or against resolutions) at the direction of the Non-Registered Shareholder. Without specific instructions, Nominees are prohibited from voting shares for Non-Registered Shareholders. **Therefore, each Non-Registered Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Proxy Cut-off Time.**

Existing regulatory policy requires Nominees to seek voting instructions from Non-Registered Shareholders in advance of Shareholders' meetings. The various Nominees have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Non-Registered Shareholders in order to ensure that their shares are voted at the Meeting. Often the proxy form supplied to a Non-Registered Shareholder by its broker is identical to the proxy form provided by the Company to the Registered Shareholders. However, its purpose is limited to instructing the Registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Non-Registered Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and the United States. Broadridge typically prepares a machine-readable voting

instruction form, mails those forms to the Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). The Company may also use Broadridge's Quickvote™ service to take votes over the telephone from eligible Non-Registered Shareholders. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

There are two kind of Non-Registered Shareholders those who object to their name being made known to the issuers of securities which they own called Objecting Beneficial Owners (or 'OBOS') and those who do not object to the issuers of the securities they own knowing who they are called, being Non-Objecting Beneficial Owners (or 'NOBOS').

A Non-Registered Shareholder who receives a Broadridge voting instruction form cannot use that form to vote shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of shares must be communicated to Broadridge) well in advance of the Proxy Cut-off Time in order to have the shares voted.

Although Non-Registered Shareholders may not be recognised directly at the Meeting for the purposes of voting shares registered in the name of their Nominee, a Non-Registered Shareholder may attend the Meeting as Proxy Holder for their Non-Registered shareholding and vote the shares in that capacity only in a poll. **Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their shares only on a poll as proxy holder for their Non-Registered shareholding should enter their own names in the blank space on the voting instruction form provided to them and return the same to their Nominee (or the Nominee's agent) in accordance with the instructions provided by such Nominee.**

All references to Shareholders in this Explanatory Statement and the accompanying form of proxy and Notice of Meeting are to Registered Shareholders and Non-Registered Shareholders as at the record date of notice unless specifically stated otherwise.

REVOCABILITY OF PROXY

A Registered Shareholder who has submitted a proxy form may revoke it at any time in writing signed by the Registered Shareholder or by the Registered Shareholder's attorney or, where the Registered Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and received by the Company:

- In **Canada**: at any time up to **5:00 p.m. Monday, 23 September 2024 (Eastern Daylight Time)** by hand or by post to Computershare Investor Services Inc., 100 University Avenue, 8th Floor Toronto, ON, M5J 2Y1, Canada, or facsimile to 1-866-249-775 (Toll Free North America); +1-416-263-9524 (International) or via email on service@computershare.com;
- In **Australia**: at any time up to **5:00 p.m. (Australian Eastern Standard Time) on the last business day preceding the day of the Meeting** (or if adjourned, any reconvening thereof) to the head office of the Company, at Suite 1G, Building 1, Kings Row Office Park, 40-52 McDougall Street, Milton, Queensland, Australia, or posted to P.O. Box 1148, Milton, Queensland, 4064, Australia, facsimile to (07) 3221 6152 or +617 3221 6152 (if sent from overseas) or via email on communications@macarthurminerals.com; or
- To the Chairman on the day of the Meeting (or if adjourned, any reconvening thereof); or
- In any other manner provided by law.

A revocation of a proxy form does not affect any matter on which a vote has been taken prior to the revocation. Only Registered Shareholders have the right to revoke a proxy form. Non-Registered Shareholders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for the respective Nominee to revoke their proxy form on their behalf.

Except as set out herein:

- (a) no person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year;

- (b) no proposed nominee of Management of the Company for election as a director of the Company; and
- (c) no associate or affiliate of the foregoing persons;

has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in any matter to be acted upon at the Meeting other than the election of directors (Resolutions 2 to 4). See “*Particulars of Matters to be Acted Upon*” for further details.

The holders of common shares are entitled to one vote for each common share held. DATED this 29th day of August 2024

**BY ORDER OF THE BOARD OF DIRECTORS
OF MACARTHUR MINERALS LIMITED**

"Cameron McCall"

Cameron McCall

Chairman

PARTICULARS OF MATTERS

1. FINANCIAL STATEMENTS & REPORTS

Section 317 of the Corporations Act requires the Financial Report, Directors' Report and Auditor's Report for the past financial year to be tabled before the AGM. There is no requirement in the Corporations Act or the Company's constitution for Shareholders to vote on, approve or adopt such reports.

Following consideration of the reports, the Chairman will provide Shareholders an opportunity to ask questions and make comments on the Company's reports and accounts for the financial year ended 31 March 2024 and on the management of the Company.

2. REMUNERATION REPORT (RESOLUTION 1)

The Remuneration Report is required to be considered for adoption in accordance with section 250R(2) of the Corporations Act. The Remuneration Report, which details the Company's policy on the remuneration of non-executive Directors, executive Directors and senior executives for the financial year ending 31 March 2024, is part of the Director's Report contained in the Company's 2024 Annual Report. The Directors of the Company will take into consideration the outcome of voting on this Resolution when assessing the remuneration policy for senior executives and executive and non-executive Directors in future.

A reasonable opportunity will be given for the discussion of the Remuneration Report at the Meeting.

Voting consequences

Section 250R(3) of the Corporations Act provides that the vote on this Resolution is advisory only and does not bind the Directors or the Company. However, if at least 25% of the votes cast are against the adoption of the Remuneration Report in two consecutive annual general meetings, the Company will be required, at the second annual general meeting, to put to Shareholders a resolution proposing the calling of an extraordinary general meeting at which all Directors of the Company who were in office at the date of approval of the applicable Directors' Report must stand for re-election ("**Spill Resolution**"). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting ("**Spill Meeting**") within 90 days of the second annual general meeting.

At the 2023 annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

Proposed Resolution

To consider and, if thought fit, pass the following **ordinary resolution**, with or without amendment:

1. "That the Remuneration Report, as set out in the Annual Report for the financial year ended 31 March 2024 be adopted."

Directors' Recommendation

Acknowledging that every Director has a personal interest in his own remuneration from the Company, as described in the Remuneration Report, the Directors unanimously recommend the adoption of the Remuneration Report.

Voting Exclusion Statement:

In accordance with the ASX Listing Rule 14.11 and section 250BD of the Corporations Act, the Company will disregard any votes cast in favour of Resolution 1 by or on behalf of the following persons:

- (a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report or a Closely Related Party of such member; or
- (b) a Person appointed as a proxy, where that person is either a member of Key Management Personnel or a Closely Related Party of such member.

However, a person (**the voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the voter is appointed as proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (b) the voter is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

3. RE-ELECTION OF DIRECTORS (RESOLUTIONS 2 – 4)

The Company’s Constitution requires that all newly appointed directors stand for re-election at the next annual general meeting and that the remaining directors, through retirement by rotation must stand for re-election at each annual general meeting. Shareholders will therefore have the opportunity to vote on the election of each director at the Meeting.

The Company has adopted a majority voting system which aligns with Australian corporate practice. Under majority voting in Australia, security holders can vote “for”, “against” or “abstain” in relation to each resolution. Votes cast as an abstention are not counted in favour or against a resolution. If directors receive a majority of votes against, they will not be re-elected and their position on the board will cease in accordance with the Company’s Constitution.

Under the Company’s Constitution the minimum number of directors is three. The board of directors (the “**Board**”) presently consists of four directors. The Company is required to have an Audit and Risk Committee and the members of this committee are as set out in the table below.

To consider and, if thought fit, pass the following **ordinary resolution**, with or without amendment:

1. **(Resolution 2):** “That Alan Spence Phillips, who retires by rotation in accordance with clause 18.6(a) of the Company’s Constitution, and being eligible, be re-elected as a director of the Company in accordance with clause 18.8(a)(1) of the Company’s Constitution.”
2. **(Resolution 3):** “That Cameron McCall, who retires in accordance with clause 18.7(a) of the Company’s Constitution, and being eligible, be re-elected as a director of the Company in accordance with clause 18.8(a)(1) of the Company’s Constitution.”

Directors’ Recommendation

The Directors (except for their interests) recommend that Shareholders vote in favour of the re-election of each director in the event that Resolutions 2 to 4 are passed.

The Chairman of the Meeting intends to vote in favour of the respective Resolutions where there are no directions indicated on the proxy form.

4. APPOINTMENT OF CANADIAN AUDITOR (RESOLUTION 5)

RSM Australia Partners has been the Company’s sole Canadian and Australian auditor since 27 October 2021. Unless otherwise instructed, the proxies given in favour of the Chairman will be voted for the re-appointment of RSM Australia Partners as the auditor of the Company to hold office for the ensuing year at a remuneration to be fixed by the directors.

Under Australian law, the Company’s corporate auditors, RSM Australia Partners, were appointed by Shareholders on 29 August 2023 and do not require re-appointment every year at the annual general meeting.

Proposed Resolution

To consider and, if thought fit, pass the following **ordinary resolution**, with or without amendment:

1. “That, RSM Australia Partners, be re-appointed as Canadian auditor of the Company for the 2024-2025 financial year at a remuneration to be fixed by the Board.”

Directors’ Recommendation

The Board recommends to Shareholders of the Company that they vote FOR Resolution 5.

The Chairman of the Meeting intends to vote in favour of the respective resolution where there are no directions indicated on the proxy form.

5. APPROVAL OF A FIXED 20% OMNIBUS INCENTIVE PLAN, EMPLOYEE SHARE COMPENSATION PLAN AND CONSULTANT SHARE COMPENSATION PLAN (RESOLUTION 6)

Background

The Company currently has three incentive plans, the Omnibus Incentive Plan, Employee Share Compensation Plan and the Consultant Share Compensation Plan (collectively the “**Current Share Compensation Plans**”). The Current Share Compensation Plans were approved by Shareholders at the Company’s AGM held on 29 August 2023 under which Directors, officers, employees and consultants (collectively “**Participants**”) may be offered awards that allow them to acquire or earn Equity Securities not only through the grant of stock options, but also through the award of restricted share units (“**RSUs**”), a share purchase scheme (the “**SPS**”) and a share bonus scheme (the “**SBS**”) which provide Participants with an ownership interest in the Company.

The terms of the Current Share Compensation Plans fix the maximum number of shares, options and other forms of securities or rights which may be issued pursuant to the Share Compensation Plans (**Securities**) in the Company that may be issued at 20% of the number of common / ordinary shares of the Company issued and outstanding as of the effective date of the Current Share Compensation Plans.

The Company is proposing to refresh the effective date of the Current Share Compensation Plans so that the fixed maximum number of Securities of the Company that may be issued under the Current Share Compensation Plans accurately reflects 20% of the number of common / ordinary shares of the Company issued and outstanding as of the Record Date for this Meeting (**Effective Date**) which is equivalent to 39,933,102 common / ordinary shares. As at the date of this Explanatory Statement, the Company has on issue 199,665,510 common / ordinary shares (collectively, the “**Share Compensation Plans**”).

Listing Rule 14.1.A and TSXV Policy 4.4

Pursuant to Policy 4.4 of the TSX Venture Exchange Manual (“**Manual**”), any amendment to the Share Compensation Plans requires disinterested shareholder approval.

If Resolution 6 is passed, the Company will be able to issue a maximum number of Securities up to 20% of 199,665,510 common / ordinary shares issued and outstanding as at Effective Date of 23 August 2024 which is equivalent to 39,933,102 common / ordinary shares with any future issue of the Securities to the Employees and Consultants of the Company (as those categories are determined and defined under the Share Compensation Plans).

In the event that Resolution 6 is not approved by Shareholders at this Meeting, the Company’s Current Share Compensation Plan will continue to be in effect. This may potentially impact the Company’s ability to issue any future securities to Employees and Consultants, such that Securities issued will be counted towards the 15% Placement Capacity of the Company for the purposes of the application of Listing Rule 7.1.

No Securities will be able to be issued to Directors under the Share Compensation Plans without separate approval under ASX Listing Rule 10.14.

Listing Rules 7.2 Exception 13(b)

Subject to certain exceptions, ASX Listing Rule 7.1 restricts a listed company from issuing or agreeing to issue Equity Securities (as defined by the ASX Listing Rules) equivalent in number to more than 15% of its ordinary securities on issue in the 12 month period immediately preceding the date of the issue or agreement (if the entity has been admitted to the official list for 12 months or more) or the period from the date the entity was admitted to the official list to the date immediately preceding the date of the issue or agreement (if the entity has been admitted to the official list for less than 12 months) (“**15% Placement Capacity**”) without the approval of its shareholders.

As a result, any issue of securities by the Company to Employees and Consultants under the Share Compensation Plans would reduce the Company’s 15% Placement Capacity to issue Shares under ASX Listing Rule 7.1.

Exception 13 of ASX Listing Rule 7.2 however, allows the Company to issue securities under the Share Compensation Plans without the issue of such securities being counted towards the Company's 15% Placement Capacity under ASX Listing Rule 7.1, where Shareholders have approved the issue of securities under the Share Compensation Plans as an exception to Listing Rule 7.1, within three years prior to the issue of the securities. Resolution 6 is being put to Shareholders for this purpose and will allow the Company to utilise Exception 13 of ASX Listing Rule 7.2 for three years from the date of the Resolution being passed.

The following information is provided to Shareholders for the purposes of obtaining Shareholders approval:

- (a) A summary of the terms of the three plans is set out below.
 (b) Since the last Shareholders approval at the Company's AGM held on 29 August 2023, Equity Securities have been issued under the Share Compensation Plans as follows:

Securities	Date Granted	Expiry Date	Term	Number of Securities
RSUs	24 Jan 2024	24 Jan 2027	vest upon the closing share price of the Company's shares on the ASX being greater than A\$0.20 for 20 consecutive trading days	2,800,000
Bonus Shares	5 Aug 2024	-	Issue price of A\$0.05	3,409,891
				6,209,891

The number of Equity Securities issued since the Company was listed on the ASX in 2019 (including the above) is 25,071,737.

- (c) The maximum number of Equity Securities proposed to be issued under the Share Compensation Plans in reliance on Listing Rule 7.2 (Exception 13 (b)) is 39,933,102 Equity Securities. Any Equity Securities issued in excess of that number will, for the purpose of ASX Listing Rule 7.1, be issued using the Company's 15% Placement Capacity.
 (d) A voting exclusion statement is included in the Notice of Meeting at the end of this section.

Australian Corporations Act Requirements

Chapter 6D of the *Corporations Act 2001* (Cth) ("**Corporations Act**") requires that, subject to certain exemptions, the Company provide prospectus level disclosure before an offer of securities (which includes share-based compensation) is made. However, the Australian Securities and Investments Commission ("**ASIC**") provides relief from prospectus level disclosure for employee incentive schemes. The Company has previously relied on such relief, hence the need for three plans:

- Omnibus Incentive Plan;
- the Employee Share Compensation Plan; and
- the Consultant Share Compensation Plan.

The Omnibus Incentive Plan and Employee Share Compensation Plan rely on relief from prospectus level disclosure pursuant to Part 7.2 Division 1A of the Corporations Act and the Consultant Share Compensation Plan on general disclosure exemptions.

The three plans currently have an aggregate limit of 20% of issued capital as of the effective date of the Current Share Compensation Plans, being 29 August 2023.

Summary of the Share Compensation Plans

The Share Compensation Plans provide participants with the opportunity, through RSUs, options, the SPS and the SBS to acquire an ownership interest in the Company.

- RSUs are units that rise and fall in value based on the value of the Company's shares. Unlike options, RSUs do not require the payment of any monetary consideration to the Company. Instead, each RSU represents a right to receive one common share following the attainment of vesting criteria determined at the time of the award. See "*Restricted Share Units*" below.
- Options are rights to acquire the Company's common shares upon payment of monetary consideration (i.e. the exercise price), subject also to vesting criteria determined at the time of the grant. See "*Options*" below.
- The SPS will give participants the opportunity to purchase shares by making contributions from their salary and a part contribution by the Company. See "*Share Purchase Scheme*" below.
- The SBS gives the Company the discretion to allot, issue and distribute common shares to eligible participants who are deemed to have provided an extraordinary contribution to the Company. See "*Share Bonus Scheme*" below.

Purpose of the Share Compensation Plans and Participants

The stated purpose of the Share Compensation Plan is to advance the interests of the Company and its Shareholders by:

- (a) ensuring that the interests of directors, officers, employees and consultants are aligned with the success of the Company;
- (b) encouraging share ownership by such persons; and
- (c) providing compensation opportunities to attract, retain and motivate such persons.

Each director (including non-executive directors), officer, employee and consultant of the Company and its subsidiaries, that are confirmed as bona fide eligible persons, will be eligible to participate in the Share Compensation Plans. See "*Restrictions on the Issuance of Shares from Treasury Under the Share Compensation Plans*" below.

Participants retained to provide Investor Relations Activities can only participate in Options. They are not allowed to receive RSUs, Bonus Shares and Common Shares pursuant to the SPS.

Administration of the Share Compensation Plans

The Share Compensation Plans will be administered by the Board or other such persons as may be designated by the Board from time to time (the "**Administrators**") which may be through the recommendation of the Remuneration and Nomination Committee of the Board (if such a committee is appointed), which will determine, from time to time, the eligibility of persons to participate in the Share Compensation Plans, when RSUs, options and shares under the SBS ("**Bonus Shares**") will be awarded or granted, the number of RSUs, options and Bonus Shares to be awarded or granted, the vesting criteria for each award of RSUs and grant of options, the eligibility of persons to benefit from the cashless provision and all other terms and conditions of each award and grant, in each case in accordance with applicable securities laws and stock exchange requirements. In addition, the Administrators will determine the amount that participants and the Company may contribute under the SPS and whether such contributions shall be used to subscribe for shares from treasury or purchase shares from the market. See "*Share Purchase Scheme*" below.

The grant of any Restricted Share Units, Bonus Shares and Common Shares pursuant to the Share Purchase Scheme to Insider Participants must receive disinterested shareholder approval.

Number of Shares Available for Issuance under the Share Compensation Plans

The number of shares available for issuance from the treasury under the Share Compensation Plans must not at any time exceed 20% of the number of common shares of the Company issued and outstanding as of the Effective Date of the Share Compensation Plans (i.e. on the approval at this Meeting), currently expected to be 199,665,510. These limits do not apply to shares purchased from the market under the SPS.

Restrictions on the Issuance of Shares from Treasury Under the Share Compensation Plans

Certain additional restrictions on the number of shares issuable from treasury under the Share Compensation Plans will apply as follows:

- (a) the number of shares issuable from treasury to insiders cannot exceed 20% of the shares then outstanding;
- (b) the number of shares issued from treasury to insiders within any one-year period cannot exceed 20% of the shares then outstanding;
- (c) the number of shares issued from treasury to any one person at any time cannot exceed 10% of the shares then outstanding within any one-year period;
- (d) the number of shares issued to any one consultant at any time cannot exceed 2% of shares then outstanding, within any one-year period;
- (e) the number of shares issued to all persons that provide investor relations activities at any time cannot exceed 2% of shares then outstanding, within any one-year period;
- (f) the aggregate number of Common Shares issued for RSUs, Bonus Shares; and the SPS cannot exceed in the issuance of 20,000,000 at any point in time, including to insiders;

The foregoing restrictions do not apply to shares purchased on the market under the SPS.

Restricted Share Units

- (a) Mechanics for RSUs

RSUs awarded to participants under the Share Compensation Plans will be credited to an account that will be established on their behalf and maintained in accordance with the Share Compensation Plans. Each RSU awarded will conditionally entitle the holder thereof to the issuance of one common share upon achievement of the vesting criteria.

- (b) Vesting Provisions

The Share Compensation Plans provide that:

- (i) at the time of the award of RSUs, the Administrators will determine the vesting criteria applicable to the awarded RSUs;
- (ii) vesting of RSUs may include criteria such as time vesting criteria or performance vesting;
- (iii) RSUs with time vesting criteria would, at a minimum (i.e. as the least restrictive criteria), vest in respect 33 $\frac{1}{3}$ % of the shares subject to RSUs on the first day after each of the first three anniversaries of the award date of such RSUs;
- (iv) RSUs with performance vesting criteria would, at a minimum (i.e. as the least restrictive criteria), vest on the first day after the first achievement of vesting criteria as determined by the Administrators.

- (c) Termination, Retirement and Other Cessation of Employment in connection with RSUs

A person participating in the Share Compensation Plans will cease to be eligible to participate in the following circumstances: (a) where a participant voluntarily resigns from their position on the termination date included in any notice of termination of employment; (b) where a consultant terminates for convenience (insofar as it is possible pursuant to the terms of the consultant's contract) on the termination date included in any notice of

termination of contract or service; (c) in all other circumstances, by the giving of any notice of termination of employment (whether voluntary or with just cause or without cause), or any cessation of employment or service for any reason whatsoever, excluding disability or death; or (d) in all other circumstances by the giving of notice by the Company to a consultant of termination of contract, excluding notice of termination of contract due to disability or death of the primary person who provides management or consulting services, excluding disability or death (an “**Event of Termination**”).

If an Event of Termination occurs after the vesting date of the RSUs, but prior to settlement of the award of shares, to the extent permitted under applicable laws and the rules of the TSX-V and any other applicable exchange that the Company may be listed on from time to time (the “**Listing Rules**”), the settlement shall occur as soon as practicable after the Event of Termination. If an Event of Termination has occurred prior to the vesting date by voluntary resignation, under the Employee Share Compensation Plan, or by termination for convenience (and provided the Participant is not a Good Leaver) under the Consultant Share Compensation Plan, or a participant is terminated for just cause under both Share Compensation Plans, all of the participant’s unvested RSUs will immediately be null and void. If an Event of Termination has occurred by the Company, without cause, all RSUs of the participant shall immediately vest and shall be paid out in shares no later than 10 days after the Event of Termination.

If a participant dies or suffers a disability which the Administrators, in their sole and unfettered discretion, consider likely to permanently prevent the participant (or the primary person who provides management or consulting services to the Company or to any entity controlled by the Company) from: (a) being employed or engaged by the Company, its subsidiaries or another employer, in a position the same as or similar to that in which they were last employed or engaged by the Company or its subsidiaries; or (b) acting as a director or officer of the Company or its subsidiaries (a “**Disability**”), the RSUs then held by the participant shall vest, depending on applicable time vesting criteria or achievement of performance criteria, at any time up to but not after the earlier of: (i) 365 days after the date of death or Disability; and (ii) the expiration date of the RSUs.

(d) Other Terms

Under the Share Compensation Plans, should the vesting of an RSU fall within a blackout period the vesting will be automatically extended to the business day after the end of the blackout period.

Under the Consultant Share Compensation Plan, if a participant’s contract term ends after the vesting date of the RSUs, but prior to settlement of the award of shares, to the extent permitted under applicable laws and the Listing Rules, the settlement shall occur as soon as practicable after the expiry of the contract term. If the vesting of a participant’s RSUs is delayed due to a blackout period, but the participant’s contract ends on, or after, what would have been the vesting date but for the blackout period, the RSUs shall still vest in accordance with their terms despite expiry of the contract term. In all other cases, if a participant’s contract term ends prior to the vesting date all rights of the participant in unvested RSUs granted to the participant shall be immediately null and void as of the date of the expiry of the contract.

Under the Share Compensation Plans, all unvested RSUs shall vest on occurrence of a “Change of Control”. A “Change of Control” means: (i) the acceptance of a bona fide arm’s length Take Over Bid made to all holders of voting shares in the capital of the Company to purchase, directly or indirectly, voting shares in the capital of the Company (an “**Offer**”) by a sufficient number of holders of voting shares in the capital of the Company to constitute the offeror, together with persons acting jointly or in concert with the offeror, a Shareholder of the Company being entitled to exercise more than 50% of the voting rights attaching to the outstanding voting shares in the capital of the Company (provided that prior to the Take Over Bid, the offeror was not entitled to exercise more than 50% of the voting rights attaching to the outstanding voting shares in the capital of the Company), (ii) the completion of a consolidation, merger or amalgamation of the Company with or into any other corporation whereby the voting Shareholders of the Company immediately prior to the consolidation, merger or amalgamation receive less than 50% of the voting rights attaching to the outstanding voting shares of the consolidated, merged or amalgamated corporation, (iii) the completion of a sale whereby all or substantially all of the Company’s undertakings and assets become the property of any other entity and the voting Shareholders of the Company immediately prior to that sale hold less than 50% of the voting rights attaching to the outstanding voting securities of that other entity immediately following that sale, (iv) a change in the composition of a majority of the board within a 90 day period as a result of a Shareholder (alone or collectively with other Shareholders) being able to exert control or influence over the composition of the Board, and so exercise such control or influence; or (v) any similar event or transaction not specifically contemplated by this section paragraph as determined by the Company in its sole discretion, acting reasonably, including but not limited to a change in control of the Board.

Options

(a) Mechanics for Options

Each option granted will entitle the holder thereof to the issuance of one share upon achievement of the vesting criteria and payment of the applicable exercise price.

(b) Termination, Retirement and Other Cessation of Employment in connection with Options

A person participating in the Share Compensation Plan will cease to be eligible to participate where there is an Event of Termination (as defined above).

If an Event of Termination occurs as a result of termination for just cause, any unvested options held by such participant on the date of such termination, shall be cancelled as of that date. Except as otherwise stated in the Share Compensation Plans or otherwise determined by the Administrators in their discretion, upon the occurrence of an Event of Termination that includes termination by voluntary resignation, under the Employee Share Compensation Plan, or by termination for convenience, under the Consultant Share Compensation Plan, or termination other than for just cause, under both Share Compensation Plan, all options (vested or unvested) granted to the affected participant shall if unvested vest immediately and they may all be exercised only before the earlier of: (i) the expiry of the option; or (ii)(a) 90 days after the date of the Event of Termination for participants who are not directors; or (ii)(b) 365 days after the date of the Event of Termination for participants who are directors.

If a participant ceases to be an Eligible Person due to his or her death or Disability (or in the case of a consultant company, the primary person who provides management or consulting services to the Company or to any entity controlled by the Company), the options then held by the participant shall vest and be exercisable to purchase shares at any time up to but not after the earlier of: (i) 365 days after the date of death or Disability; and (ii) the expiration date of the options.

(c) Other Terms

The Administrators will determine the exercise price and term/expiration date of each option, provided that the exercise price shall not be less than the prescribed discount permitted by the TSX-V from the market price on the date of grant; and no option shall be exercisable after five years from the date on which it is granted.

Should the term of an option expire on a date that falls within a blackout period or within nine business days following the expiration of a blackout period, such expiration date will be automatically extended to the tenth business day after the end of the blackout period.

If a Change of Control occurs, all options will become vested, whereupon such option may be exercised in whole or in part by the optionee, subject to the approval of the TSX-V, if necessary.

If a bona fide Take Over Bid for shares is made to a participant who holds options or to Shareholders of the Company generally or to a class of Shareholders which includes the options held by a participant, which Take Over Bid, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of the *Securities Act* (British Columbia), the Company may, upon receipt of notice of the Take Over Bid, determine in its discretion whether to amend the vesting provisions of the options and notify each affected participant of full particulars of the Take Over Bid, whereupon (subject to the approval of the TSX-V and /or ASX as applicable) the vesting provisions of the options will be accelerated to being vested and any such unvested options with an out of the money strike price shall have their strike price reduced to be at least 20% in the money (i.e. the value of the un-vested Options (as applicable) shall be increased by ensuring the relevant Options (as applicable) vest at 20% below the lesser of the applicable Takeover price or the 5 day VWAP as at the date upon which the Takeover was announced to the market. The Directors shall give each Participant as much notice as possible of any acceleration of the Options under this section, except that not less than five (5) business days' notice is required and more than 30 days' notice is not required. However, if: (a) the Take Over Bid is not completed within the time specified therein; or (b) all of the shares tendered by the participant pursuant to the Take Over Bid are not taken up or paid for by the offeror in respect thereof, then the shares received upon such exercise, or in the case of clause (b) above, the shares that are not taken up and paid for, may be returned by the participant to the Company and reinstated as authorized but unissued shares and with respect to such returned shares, the participant's options shall be reinstated as if it had not been exercised and the terms upon which such options were to become vested shall be reinstated. If any shares are returned to the Company under this provision, the Company shall immediately refund the exercise price received by the Company to the participant for such options.

Share Purchase Scheme

(a) Mechanics for the SPS

The Administrators shall designate the participants which may be entitled to participate in the SPS, however, Canadian residents shall not be entitled to participate in the SPS. Such participants will be entitled to make contributions from salary or consultant fees for services up to a limit set by the Administrators (to a maximum of 20% of their annual contracted amount). The Administrators shall also determine the contribution that will be made by the Company (up to a maximum of 25% of each participant's contribution). The Administrators shall determine whether a Purchase Scheme Treasury Option (as defined below) or a Purchase Plan Market Option (as defined below) will be utilized.

(b) Purchase Scheme Treasury Option

Under the purchase scheme treasury option (the "**Purchase Scheme Treasury Option**") each of the participant's contribution and the Company's contribution shall be aggregated ("**Aggregate Contribution**") and common shares shall be issued from treasury for the account of each participant. The number of common shares that are issued for the account of each participant is based on their Aggregate Contribution divided by market trading price of the common shares on any exchange where the common shares are listed (including the TSX-V).

(c) Purchase Scheme Market Option

Under the purchase scheme market option (the "**Purchase Scheme Market Option**") the participant's contribution and the Company's contribution will be paid into a trust (the "**Purchase Scheme Trust**") and the Purchase Scheme Trust will use the Aggregate Contribution to purchase common shares on the open market.

(d) Determination of Purchase Scheme Treasury Option or Purchase Scheme Market Option

At the commencement of every calendar quarter, the Administrators shall determine whether Aggregate Contributions in respect of a participant shall be used to:

- (i) purchase shares to be issued from treasury under the Purchase Scheme Treasury Option; or
- (ii) purchase shares through the facilities of the TSX-V (or such other stock exchanges as the Company may designate from time to time) under the Purchase Scheme Market Option, for the next following calendar quarter; provided that, if the Administrators do not make such a determination in respect of any calendar quarter, participants shall continue to participate in the SPS in the next following calendar quarter on the same terms and in the same manner as in the preceding calendar quarter.

Participants shall initially participate in the Purchase Scheme Treasury Option until such determination is changed by the Administrators. Each participant shall be advised in writing of his or her participation in the Purchase Scheme Treasury Option or the Purchase Scheme Market Option and shall be advised of any changes in such participant's participation under the SPS Holding and Delivery of Shares.

(e) Common Shares Held in Trust

All common shares issued to or purchased by the trustee of the Purchase Plan Scheme Trust (the "**Trustee**") on behalf of a participant shall be held by the Trustee in trust for the benefit of such participant and the Trustee shall record the number of common shares so held by the Trustee for the benefit of the participant.

The common shares held by the Trustee on behalf of a participant pursuant to the SPS shall be voted by the Trustee at each meeting of the Shareholders of the Company in accordance with the timely instructions of such participant and, for the purposes thereof, the Trustee shall, at the expense of the Company cause each participant to be provided with a copy of the notice of meeting, Explanatory Statement and proxy for each meeting of the shareholders of the Company together with an appropriate form on which the participant may indicate voting instructions to the Trustee, or alternatively, the Trustee may deliver to the participant a proxy for use at such meeting, duly endorsed by the Trustee, indicating the number of common shares held by the Trustee for such participant, entitling the participant to deposit such proxy directly with the Company in connection with such meeting.

The Trustee shall promptly advise all participants of take-over bids, issuer bids, rights offerings and other events notice of which is given to the Trustee or its nominee as the registered holder of common shares and cause all participants to be provided with copies of all materials delivered by the Company to the Trustee or its nominee in connection therewith and exercise the rights with respect thereto at the timely direction of the participant upon the participant providing such instructions, information or funds to the Trustee as may be specified by the Trustee.

Unless otherwise provided in the Share Compensation Plan, common shares held for the benefit of a participant in trust with the Trustee shall be delivered to the participant at such times as determined by the Administrators in consultation with the Trustee. With respect to any common shares held by the Trustee for the benefit of any participant on which the Hold Period (as defined below), if any, has not expired at such delivery time, the Trustee shall transfer the common shares then held in trust for such participant in his/her name and deliver such common shares to the participant within five (5) Business Days after expiry of the Hold Period. No fractional shares shall be delivered to any participant and the Trustee shall hold any unused balance of the Aggregate Contribution in respect of a participant in trust on behalf of such participant until used in accordance with the SPS or otherwise returned to the participant or Company, as applicable, in accordance with the terms of the SPS.

Unless otherwise provided under the terms of the Purchase Scheme Trust a participant shall be entitled to authorise and direct the Trustee to sell at or above the Market Price (as defined below) the common shares to which a participant is entitled to under the Purchase Scheme Trust, subject to applicable laws and Listing Rules, including compliance with the Hold Period (as defined below).

“Market Price” means the last closing price per Common Share on the trading day immediately preceding the day on which the Company announces the grant of the option or, if the grant is not announced, on the Grant Date.

(f) Termination of Contract and the SPS

If a participant ceases to be eligible to participate in the SPS for any reason including an Event of Termination, any cash portion of the participant’s contribution then held on behalf of such participant shall be paid to the participant:

- (i) Under the Purchase Plan Treasury Option, any cash portion of the Company’s contribution made on behalf of such participant to the Purchase Scheme Trust then held by the Purchase Scheme Trust shall be forfeited, and subject to the discretion of the Administrators, any common shares issued on behalf of such participant from time to time for the Aggregate Contribution then held in safekeeping for a participant, subject to applicable law and Listing Rules, be delivered to such participant subject to compliance with applicable law and Listing Rules, including expiry of the Hold Period (as defined below);
- (ii) Under the Purchase Plan Market Option any cash portion of the Company’s contribution made on behalf of such participant to the Purchase Scheme Trust then held by the Purchase Scheme Trust shall be forfeited, and subject to the discretion of the Administrators, such Employee shall be entitled to receive the common shares purchased by the Purchase Scheme Trust with the Company’s contribution made in respect of such participant up to the end of the quarter immediately prior to the date of the Event of Termination and shall forfeit the amount of the Company’s contribution and any Common Shares purchased with such Company’s contribution made in respect of such Employee after the end of such quarter.

If a participant shall cease to be employed or consultant’s contract terminated by the Company and all designated affiliates by reason of Disability or the death of the participant:

- (i) such participant shall automatically cease to be entitled to participate in the SPS; and
- (ii) any issuance from treasury, purchase from the market and delivery of common shares by the Trustee in respect of such participant, shall not be accelerated by the Disability or death of such participant and shall occur on the date on which such common shares would otherwise have been issued, purchased and delivered to such participant had the Disability or death of the participant not occurred and the Company shall pay any unused portion of the Aggregate Contribution then held by the Trustee on behalf of such participant to the participant or the estate of the participant, as the case may be.

(g) Other Terms

Any participant may at any time during a calendar year, other than during the month of December, elect to withdraw from the applicable Share Purchase Plan. The participant's contribution contributed to the date of withdrawal will continue to be held in trust on behalf of the participant and issued at the time they would otherwise have been issued as if the participant had not withdrawn.

Share Bonus Scheme

(a) Mechanics of the SBS

The Administrators shall have the authority to allot, issue and distribute Bonus Shares to any participants whom the Administrators, in their sole and absolute discretion deem to have provided extraordinary contributions to the advancement of the Company as a discretionary bonus.

Bonus Shares will be issued at a deemed price determined by the Administrators at the time of issuance of such bonus shares, but such price shall not be less than the daily closing price per common share on the TSX-V and/or ASX as applicable on the trading day immediately preceding the day on which the bonus shares are issued.

(b) Other Terms

The pool of Bonus Shares available for any given year if not distributed cease to be available at the end of the year and do not accumulate or become available for any succeeding year.

Transferability

RSUs awarded and options granted under the Share Compensation Plan are non-transferable other than in accordance with the Share Compensation Plan.

Unless otherwise provided under the terms of the Purchase Scheme Trust a participant shall be entitled to authorise and direct the Trustee to sell at or above the current market price the common shares to which a participant is entitled to under the Purchase Scheme Trust.

Hold Period

All shares issued from treasury to a participant under the Share Compensation Plan, other than shares issued on the exercise of options, are subject to a four month and one day hold period on TSX-V, or such longer period as may be required by law or any regulatory authority having jurisdiction over the securities of the Company (the "**Hold Period**"). Shares purchased on the market under the SPS will not be subject to the Hold Period.

If the exercise price of any options issued is at discount to the Market Price, the Hold Period applies from the Grant Date and will be legended in accordance with the TSX-V Manual.

Investor Relations Activities

Any options issued to Participants retained to provide Investor Relations Activities vest in accordance with TSX-V Manual.

The Administrators must, through the establishment of appropriate procedures, monitor the trading in the securities of the Issuer by all Participants performing investor relations activities. These procedures may include, for example, the establishment of a designated brokerage account through which the participant conducts all trades in the securities of the Company or a requirement for such participants to file insider trade report to the Administrators.

Cashless Provision

In lieu of paying the aggregate exercise price to purchase Common Shares under clause 5 (Grant of Options) the Administrators may, in their sole and absolute discretion, permit a Participant to elect to receive, without payment of cash or other consideration, upon surrender of the applicable portion of exercisable Options to the Corporation, a number of Common Shares determined in accordance with the following formula (a **Cashless Exercise**):

$$A = \frac{B * (C - D)}{C}$$

where:

- A the number of the Common Shares (rounded down to the nearest whole number) to be issued to the Participant;
- B the number of Common Shares otherwise issuable upon the exercise of the Option or portion of the Option being exercised;
- C the Market Value of one Common Share determined as of the date of delivery of written notice to the Company Secretary where Market Value is determined to be the weighted average price for Shares on the TSX-V or ASX, as applicable over the last 30 trading days immediately prior to the date that the Corporation receives the notice of Option exercise; and
- D the exercise price of Options

For example: if a Participant holds 50 Options (which have vested and are therefore capable of exercise), each with an exercise price of \$1.00 and they elect to exercise all of their Options by paying the exercise price, they would pay \$50 and receive 50 Common Shares. However, if the Participant elects their rights under the Cashless Exercise, and the Market Value of one Common Share prior to exercise is \$1.50, the Participant will pay no cash and receive 16 Common Shares (being $50 (\$1.50 - \$1.00) / \$1.50 = 16.67$, rounded down to 16 Common Shares).

For greater certainty, upon the Cashless Exercise of an Option (or portion thereof), the total number of Common Shares that may be issued pursuant to the exercise of Options under the Plan, shall be reduced by the total number of the Common Shares with respect to which the Option (or portion thereof) was surrendered.

Amendment Provisions in the Share Compensation Plans

The Board may amend the Share Compensation Plans or any RSU or option at any time without the consent of any participants under the Share Compensation Plans provided that such amendment shall:

- (a) not adversely alter or impair any RSU previously awarded or any option previously granted except as permitted by the adjustment provisions of the Share Compensation Plan;
- (b) be in accordance with the Manual, applicable Listing Rules and relevant securities legislation and be subject to any regulatory approvals including, where required, the approval of the TSX-V and/or ASX as applicable; and
- (c) be subject to Shareholder approval, where required, by law or the requirements of the TSX-V and/or ASX as applicable, provided that Shareholder approval shall not be required for the following amendments:
- (i) amendments of a "housekeeping nature", including any amendment to the Share Compensation Plans or a RSU or option that is necessary to comply with applicable laws, tax or accounting provisions or the requirements of any regulatory authority or stock exchange and any amendment to the Share Compensation Plans or a RSU or option to correct or rectify any ambiguity, defective provision, error or omission therein, including any amendment to any definitions therein;
- (ii) amendments that are necessary for RSUs or options to qualify for favourable treatment under applicable tax laws;
- (iii) a change to the vesting provisions of any RSU or any option (including any alteration, extension or acceleration thereof) or the Share Compensation Plans;
- (iv) a change to the termination provisions of any option (for example, relating to termination of employment, resignation, contract, retirement or death) that does not entail an extension beyond the original expiration date (as such date may be extended by virtue of a blackout period);

- (v) the introduction of features to the Share Compensation Plans that would permit the Company to, instead of issuing shares from treasury upon the vesting of the RSUs, retain a broker and make payments for the benefit of participants under the Share Compensation Plan to such broker who would purchase shares through the facilities of the TSX-V and/or ASX as applicable for such participants;
 - (vi) where amendments are required to comply with listing on a foreign exchange;
 - (vii) subject to compliance with TSX-V and/or ASX requirements (as applicable), reduce the exercise price of any option (including any cancellation of an option for the purpose of reissuance of a new option at a lower exercise price to the same person); and
 - (viii) change the application of adjustment and change of control sections.
- (d) For greater certainty:
- (i) Shareholder approval will be required in circumstances where an amendment to the Share Compensation Plans would:
 1. increase the maximum number of shares issuable under the Share Compensation Plans, other than by virtue of the adjustment provisions in the Share Compensation Plans, or change from a fixed maximum percentage number of shares to a fixed maximum of issued and outstanding shares;
 2. amend the fixed limit on the number of Bonus Shares that can be issued for the term of a Share Compensation Plan;
 3. permit RSUs or options to be transferable or assignable other than for normal estate settlement purposes;
 4. extend the term of any option beyond the original term (except if such period is being extended by virtue of a blackout period);
 5. amend the method for determining the exercise price of options;
 6. increase the certain limits referred to above under "*Restrictions on the Award of RSUs and Grant of Options*";
 7. amend the expiry and termination provisions applicable to RSUs, Options, a SPS or SCA;
 8. amend the number of shares reserved for issuance pursuant to the SPS;
 9. amend limit that the Corporation can contribute to a participant under the SPS;
 10. amend the Cashless Provision; or
 11. amend the amendment provisions in the Share Compensation Plans.
 - (ii) Disinterested Shareholder approval will be required in circumstances where an amendment to the Share Compensation Plans would:
 1. reduce the exercise price of any Option granted under the Share Compensation Plans if the person is an Insider of the Company at the time of the proposed amendment; or
 2. increase the certain limits referred to above under "*Restrictions on the Award of RSUs and Grant of Options*".

If the Share Compensation Plans are approved by Shareholders at the Meeting, the Current Share Compensation Plans in its current form will cease to operate, and any outstanding options and RSUs will be rolled into and governed by the New Share Compensation Plans. The above description of the Share Compensation Plans is written on the assumption that the Share Compensation Plan, as amended and presented to Shareholders, are approved at the Meeting.

Copies of the Share Compensation Plans will be available at the Meeting and will be mailed to any Shareholder free of charge by contacting the Company. See “*Additional Information*”.

A voting exclusion statement is included in the Notice of Meeting.

2. *That the issue of Equity Securities under the Share Compensation Plans within three years from the date of this resolution is approved for the purposes of ASX Listing Rule 7.2 (exception 13(b));*
3. Any unallocated entitlements under the Share Compensation Plans are approved and the Company is authorised to grant entitlements under the Share Compensation Plans; and
4. Any director or officer of the Company is hereby authorised and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to items 1 and 2 of this resolution.”

Directors’ Recommendation

The Board has unanimously approved the Share Compensations Plans and recommends to Shareholders of the Company that they vote FOR Resolution 6.

The Chairman of the Meeting intends to vote in favour of the respective Resolutions where there are no directions indicated on the proxy form

Voting Exclusion Statement:

In accordance with the ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of Resolution 6 by or on behalf of a person who is entitled to participate in the Share Compensation Plans and any other person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of Shares in the entity or an associate of that person or those persons).

However, this does not apply to a vote cast in favour of the Resolution 6 by:

1. a person as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
2. the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
3. a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (a) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (b) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

4. In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote on Resolution 6 if:
- (a) the proxy is either:
 - (i) a member of the Key Management Personnel; or
 - (ii) a Closely Related Party of such a member; and
 - (b) the appointment does not specify the way the proxy is to vote on this Resolution. However, the above prohibition does not apply if:
 - (i) the proxy is the Chairman of the Meeting; and
 - (ii) the appointment expressly authorises the Chairman to exercise the proxy even though Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.
